第二节 书面表达 (满分 25 分)

Dear Jack,

As the Spring Festival is approaching, our whole country is in festive mood. Of all the traditions, pasting couplets on doors is the most common and important one. With black characters written on red papers, the couplets carry people's best wishes for the coming year. So important is the tradition that a couplet exhibition will be held in our city from February 10th and last for one week.

No doubt that the exhibition is a precious chance for you to experience traditional Chinese culture, so I can't wait to invite you to come to it. I am looking forward to seeing you here in China soon.

Yours,
Liu Ming
