Dear Emma,

Thanks for your last letter. I'm sorry to hear that you have some problems these days. Here's my advice for you.

First, don't worry too much about your study. When it comes to such a situation, I would like to suggest that you can listen to music to relax yourself before exams. Second, it would be wise to make a plan for your study and hobby. For example, you can learn for 6 hours a day and play tennis for an hour. What's more, why not talk about your problems with your parents? Then they will understand that you work hard and try your best to be a good student. The more you talk with them, the better they will understand you.

I hope my advice can be of benefit to you. Please let me know without hesitation if you need any more help.

Yours,
Jessica
