My Most Valuable Gift

The most valuable gift I've ever received is a book named Life Without Limits. Two years ago, I received the gift from my friend Angela, who moved to another city with her parents.

The book was written by Nick Vujicic who was born without arms and legs. It tells us not only Nick's stories but also the stories of other people that Nick meets. The book encourages me not to give up easily.

Whenever I look at the book, I think of my friend Angela. The book shows that the friendship between us is important.
