One possible vision:

Hello, everyone. I'm Li Lei. I had a happy Mid-Autumn Festival this year. On the morning of Mid-Autumn Day, I went shopping with my parents. There were different kinds of mooncakes in the supermarket and we bought some. After that, we went to my grandparents' home. My aunts, uncles and cousins were there, too. Mid-Autumn Day is a time for family members to get together. We had a big dinner. In the evening, my grandma laid out some fruit and mooncakes in the garden and my grandpa told me the story of Chang'e. We enjoyed the moon and shared the mooncakes. What a great festival!
