阅读下面短文，从短文后各题所给的A、B、C、D四个选项中，选出最佳选项。

Hello, everyone! My name is Julia. I'm 21 here and I don't have any friends yet. Let's be good 22, OK? I'm an American girl. I'm fourteen years old. Now, I live in Cixi with my parents and two brothers, but 23 grandparents are still in America. My father is an English teacher. He works in a primary 24 near here. His students like him very much. He often has milk for breakfast, 25 he also likes to eat bread. My mother often has some eggs and a glass of orange juice. I have 26 brothers but no sisters. They are Tom and Tony. Tom can 27 Chinese well and he likes to talk in Chinese with his classmates. But Tony doesn't like Chinese. He 28 speak only a little. We are in the same school, but not in the same 29. Tony is in Grade 8 and Tom is in Grade 9.

My family all love 30. We think the Chinese people are great. And we all love Cixi. Would you like to tell me something about your family? Let's be friends!

- | | | | |

四. 阅读理解 (共两节; 满分 35 分)

第一节 (共 15 小题; 每小题 2 分, 满分 30 分)

阅读下列材料, 从每题所给的 A、B、C、D 四个选项中, 选出最佳选项。

A

My name is Helen, and I come from London. I'm ten years old. I have a brother and a sister. My brother's name is Victor. He is fifteen. He is tall with black hair. He likes singing and he can sing two Chinese songs. My sister's name is Carla. She is thirteen. She has long brown hair. I think she is very beautiful. She likes playing computer games.

I'm Bob. I'm from USA. I'm twelve. I have two sisters. They are Diane and Liz. Diane is sixteen. She is tall with long blonde hair. Liz is fourteen and she is very different from Diane. She isn't tall. She's short with black hair. Diane likes playing basketball, but Liz doesn't. She often watches cartoons on TV in the evening.

31. Victor is _____ years old.
A. 13 B. 14 C. 15 D. 16
32. Helen thinks her sister is _____.
A. short B. interesting C. fun D. beautiful
33. What color is Carla's hair?
A. It's black. B. It's brown. C. It's blonde. D. It's yellow.
34. What does Liz like doing?
A. Playing basketball. B. Singing Chinese songs.
C. Watching television. D. Playing computer games.

B

Look at the girl in the picture. She is Connie Tablot, an English star singer. Her songs *Over the Rainbow* and *Beautiful World* are very popular (流行的) now.

When she was only 6 years old, she could sing very well, and in an evening party, her singing voice surprised everyone at the party.

Connie is also good at playing the piano and guitar. She often practices them in her free time. At school, Connie is good at English and math. She does really well at school. Her favorite food is hamburgers and she often eats them at home.

Her grandmother loves her very much and she often asks Connie to sing for her. She thinks it is a relaxing time to listen to Connie singing. Her grandmother often says, "She sings really very well."

Connie is a famous star and she wants to sing in different countries, like China, America and Canada, but her family only want her to be happy and healthy.

35. Connie was good at _____ when she was very young.
 A. drawing B. singing C. reading D. dancing
36. Connie's grandmother likes to _____.
 A. listen to her singing B. watch her eating at home
 C. make hamburgers for her D. study English with her
37. Which of the following is right about Connie?
 A. All of her songs are very popular.
 B. She is poor at her study at school.
 C. Her family all love her very much.
 D. She doesn't want to be a famous star.

C

American schools start (开始) in September after a long summer holiday. There are two terms in a school year. The first term is from September to January, and the second is from February to June. Most American children start to go to school when they are five years old. Most children are seventeen or eighteen years old when they finish high school.

High school students study only five or six subjects each term. They usually go to the same classes every day, and they have homework for every class. After class they do a lot of interesting things.

After high school, many students go to college. They can go to a small one or a large one. They usually have to give a lot of money. So many college students work after class to get the money for their studies.

38. In America, summer holidays start in _____.
 A. January B. February C. July D. September
39. Most American children start school at the age of _____.
 A. five B. six C. seven D. eight
40. American high school students _____.
 A. don't have a winter holiday every year
 B. study five or six subjects in a school year
 C. don't need to do homework after school
 D. have a long summer holiday every year
41. Why do many American college students work after class?
 A. To go to a better college B. To find something interesting
 C. To learn some useful things D. To get the money for their studies

D

There is a special day for monkeys in Thailand (泰国) — The Monkey Buffet Festival. It is on the last Sunday of November. People there believe monkeys can bring good luck to them. So, to thank monkeys, they have this special festival.

Every year on that day, people put lots of fruit, vegetables, cakes and even drinks on the tables outside. They are all for monkeys. Many people come to see the monkeys on that day. During the festival, there are a lot of interesting activities about monkeys. Young people are always dressed up as monkeys and they sing, dance and play music in the street.

Monkeys always live in groups. Most of them live in the trees. They are good at running and jumping. They eat fruit, vegetables, flowers and birds' eggs. Monkeys are clever animals. Do you think so?

42. The Monkey Buffet Festival is in the _____ month of the year.
 A. first B. fifth C. eleventh D. last

43. People in Thailand want to thank monkeys because _____.
 A. they think monkeys can bring good luck to them
 B. monkeys can sing, dance and play music for them
 C. they hope monkeys will often come to see them
 D. there are a lot of interesting activities by monkeys
44. During the festival, young people _____.
 A. live in the trees in groups
 B. play games with monkeys
 C. sing, dance and play music
 D. eat all kinds of nice food
45. The text is mainly (主要) about _____.
 A. monkeys' favorite food
 B. monkeys' good luck
 C. a festival for monkeys
 D. monkeys' daily life

第二节 (共 5 小题; 每小题 1 分, 满分 5 分)

阅读下面五段材料, 从所给选项中选出与每段材料内容相符的图片。

46. Today is Sally's birthday. She's eight years old. Her parents buy her a nice birthday cake. Look! Eight candles are on the cake. Sally likes it very much.
47. Sam likes the number seven very much. He has a new car. You can see its number is CN777. It looks special, isn't it?
48. Look at the blackboard, please. There's a group of numbers on it. It reads "one, one, four". It's easy to remember, right? You can call it to ask for different information like phone numbers.
49. Hello, I'm Alice Miller. Alice is my first name and Miller is my last name. I am a student in PEP High School. My phone number is 518-2145.
50. What's that on the desk? Oh! It's a music telephone. The phone number is 163-8745. It can play music and read the numbers when you call me.
