W: He likes playing basketball. And he is on the school basketball team now.

M: Sounds great! Can he take part in our basketball game next Saturday afternoon?

W: Err, let me ask him. Where will you have the basketball game?

M: On our school playground. By the way, where are you going after school?

W: I'm going to a concert. There is a free concert at the People's Theater. Would you like to go with me? M: Sure, I'd love to.

听下面一段对话，回答第 9 至第 11 三个小题。

M: Where are you going for your vacation, Diana?

W: This time I'd like to go to the beach.

M: Have you booked your hotel rooms yet?

W: Oh, I don't need to do that. I'll be staying with my friends.

M: You are lucky, Diana. It is hard to find a place to stay at the beach in August.

W: Just think, in a few days I'll be swimming every day, playing beach ball, lying in the sun and just taking it easy.

M: Don't tell me about that! It sounds so great!

W: What about you, Ken? Where are you planning to take your vacation?

M: I have to stay at home to take piano lessons, I guess.

听下面一段独白，回答第 12-15 四个小题。

Steven is my best friend. No one else likes fresh air more than him. He takes long walks in the fresh air. He likes to climb mountains and enjoy the fresh air at the top. He plays soccer and other games with his friends. He likes animals. He thinks animals are our good friends, and that people should protect them. He especially loves dogs. You can often see a dog following him. He loves traveling. He has been to many countries. This year, he's going to the US. He has heard that in Boston, there is an exciting duck tour. He wants to try it. You know, he likes trying new things. Everyone says he is funny because he often makes faces to make people laugh. You will never feel bored when spending time with him.

第二节：书面表达 (*One possible version*)

Hello, everyone!

Everyone needs a healthy lifestyle. There're many things we can do.

First, we can do exercise every evening for half an hour with our parents. We can also do some sports such as playing basketball and swimming with our friends on weekends. Then, having a good eating habit is also important. Try to eat more fruit and vegetables, and eat less junk food. Thirdly, we can find many ways to relax ourselves when we are free. Reading and listening to music are helpful. I think they're good for our health.

I hope everyone can find your own way to make the life healthier!
