The Dolphin

A lot of animals live in the sea. Which animal is your favourite? Now let's have a look at dolphins. Can dolphins talk? Maybe they have mouths but they can't talk with words, they talk with sounds. They show their feelings with sounds.

They make a few sounds above water. They make many more sounds under water. People cannot hear these sounds because they are very, very high. Scientists make tapes of the sounds and study them.

Dolphins like to swim and play together. We call it "a school." They don't study, but they travel together. Dolphins are mammals(哺乳动物), not fish, but they swim together like fish in a school.

Dolphins talk to the other dolphins in the school. They give information. They tell when they are happy or sad or afraid. They say "welcome" when a dolphin comes back to the school. They talk when they play.

Sometimes people catch a dolphin for a large aquarium(水族馆). People can watch the dolphins in a show. Dolphins don't like to be away from their school in an aquarium. They are sad and lonely.

There are many stories about dolphins. They help people. Sometimes they save somebody's life. Dolphins' meat is good, but people don't like to kill them. They say that dolphins bring good luck. Many people believe this.

28. A dolphin can talk with _____.

- A. words B. sounds C. mouth D. feelings

29. The word "**school**" in paragraph 3 probably means "_____".

- A. a place for students to study B. a place for studying dolphins
C. many fish swimming together D. many people catching fish

30. What can we learn from the passage?

- A. Dolphins would like to stay with other dolphins in their school.
B. Dolphins are fish because they swim together like fish in a school.
C. People don't like to kill the dolphins because their meat is not good.
D. People can hear dolphins' sounds because they are very, very high.

D

A good friend is always around you. We often have some problems about making friends. There are some ideas that can help you.

Wear clean clothes. Wearing clean clothes is very important. It will let others like you and go to you often.

Smile. It means that you are friendly. When you find someone is the friend you want, just smile and say "hi". Smiling can help you make friends easily.

Talk first. When you first talk to a new friend, you can ask them some funny questions and listen to them carefully. It's a bad idea to keep saying nothing. When you say a lot about yourself, they will learn about you better.

Meet the friends of your new friends. Your new friends must also have their other friends. It's a great chance to know more friends. Have lunch with them or play with them after school. Then you'll make more friends.

Play around and be open. If your friends are in a club or do sports, why not join them? Invite them to your house, or go swimming with them, and try to look for any reason to be with them. But never do anything if they say "no"!

31. What can you ask when you first talk to a new friend?

- A. Their problems.
B. Their other friends.
C. Some bad ideas.
D. Funny questions.

32. Why do you meet the friends of your new friends?

- A. Because you can get a lot of smiles.
B. Because you can show your clean clothes.
C. Because you can make more new friends.
D. Because you can teach them how to swim.

33. What's the passage mainly about?

- A. How to make friends.
B. How to talk to friends.
C. How to meet friends.
D. How to play with friends.
