Dear Amy,

It is so considerate of you to receive your letter inquiring about novel coronavirus in Wuhan I am writing to tell you about this. Since the outbreak of an infectious disease in Wuhan in December 2019, the Chinese government has decisively closed down the city to prevent the spread of the

disease. At the same time, although cases have been found throughout the country, the Chinese people actively face it, together with Wuhan to fight against the epidemic

At this particular time, we should go out as little as possible, isolated. If we go out, we must wear protective masks

to prevent ourselves from getting infected. What's more, we should keep good healthy habits and keep our body clean. As many Chinese say, " come on, Wuhan", we believe we can certainly overcome the epidemic!

Yours,

Li Hua
