A possible version:

Dear secretary,

I would like to apply to be a volunteer for World Animal Protection. I am a junior high school student in Taiyuan, China, which has thousands of wild birds living along its coastline. I always go to Fenhe Park to enjoy the scenery and watch the birds fly around. My cousin had a pet dog named Liangliang years ago. He was very smart and cute. He liked to play with me. When I felt sad, he sat next to me and tried to make me happy. I was glad to spend time with Liangliang.

I want to join your volunteer team because I think humans and animals should live together in peace. As a considerate person, I want to learn how to take care of animals. I hope you can give me an opportunity to be a volunteer.

Best regards,

David
