Do you sleep well? If you don't, here's some advice (建议) for you.

★ Go to bed at same time every night. It helps your body get into a routine. Keeping this routine will help you get better sleep.

★ Don't eat or drink anything with caffeine (咖啡因) before you go to sleep. Chocolate and ice-cream with caffeine are also bad for your sleep.

★ Don't have a TV set in your bedroom. According to a survey (根据调查), kids usually sleep less with a TV set in their bedrooms. If you have one, turn it off when it's time to sleep.

★ Don't watch scary TV shows or movies before bedtime. They make it hard for you to fall asleep. But you can take a hot shower or listening to relaxing music.

★ Don't do much exercise before going to bed. Do exercise earlier in the daytime—it helps you sleep better.

★ Use your bed just for sleeping. Don't do your homework, read books or play games on the phone when you are in bed.
