Dear Jim,

Thank you very much for your concern about my online learning during the epidemic.

In the morning, I got up at half past seven. I usually ate very quickly and then I joined in online learning. For lunch, I usually eat rice and fish. In the afternoon, I often did some reading at home, but sometimes I played basketball with my friends for an hour. In the evening, I always did my homework first. After that, I either watched TV or played the piano. At ten thirty, I brushed my teeth and then I went to bed.

I hope the epidemic will be over soon and I will spend my holiday with my parents in the USA.

Yours,

Li Hua
