Parents love us. But sometimes we can't communicate (交流) well with them. What can we do? Here's some advice (建议) to tell you how to show your ideas in a right way.

36

Don't let bad words fly out of your mouth if you don't really want to say them, or you will have a lot of work to do later.

37

How would you feel if you were your mother or father? Why do they do that? Is it really bad?

38

If you think you are getting too angry, it's helpful to ask to be alone (独自) for some time. Then find another time to talk with your parents.

39

The best way to communicate is learning to listen. Maybe your parents are right. Listen to them and think what to do next.

40

Think about what you really need. Tell your parents you love them and you just want to discuss (讨论) the problem. You don't want to make them be angry with you.
