Every girl dreams, and Lisa is no exception. *Swan Lake* is her favourite. She once hoped that her dream of becoming a ballet dancer would come true one day. She worked hard at her ballet lessons and all her teachers believed that she was a good student.

One day, she saw a poster saying that a famous ballet troupe would perform in her hometown. Her thoughts ran wild. "I must meet up with the leader of the troupe and show him my skills!" She said to herself.

When the troupe arrived, Lisa put on her ballet clothes and hid in the troupe's dressing room. When the leader of the troupe entered the room, she came out and introduced herself. She couldn't wait to tell the leader about her dream.

The leader asked Lisa to dance for him. But halfway through her dance, he stopped her and said, "I'm sorry. You're not good enough!"

Upon hearing this, Lisa ran out of the dressing room. She felt quite ashamed.

Years later, Lisa had given up dancing. She met the leader of the troupe by chance and asked why he didn't think her dancing was good enough. He replied, "I say this to all of my students." Lisa said, "But you **ruined** my life!"

The leader pointed out that he had been impressed with her bravery when she hid in the dressing room just to show him her dancing skills. "But if you had treated ballet seriously, you wouldn't have given up so easily when I told you that you weren't good enough," he explained.

Nowadays, pollution is becoming worse and worse. In most parts of the world, many students help their school make less pollution. They join environment clubs. In an environment club, people work together to make our environment clean. Here are some things students often do.

No-car day. On a no-car day, nobody comes to school in a car — not the students and not the teachers! Cars give pollution to our air, so remember: Walk, jump, bike or run. Use your legs! It's lots of fun!

Turn off the water! Do you know that some toilets can waste twenty to forty tons of water an hour? In a year, that would fill a small river! In environment clubs, students repair those broken toilets.

No-garbage lunches. How much garbage do you throw away after lunch? Environment clubs ask students to bring their lunches in boxes that can be used again. Every week they will choose the classes that make the least garbage and report them to the whole school!

We love our environment. Let's work together to make it clean!

Now students' English handwriting gets worse and worse. That makes their teachers feel worried. Is your English handwriting beautiful? 36

Use paper with lines

When you write English words or sentences, you can use paper with lines. That will make your handwriting straight. 37 Be sure to fill the lined space completely. And make sure those capital letters are written properly.

Slow down

If your writing is hard to read, try slowing down a little. 38 If you write too quickly, it's hard for you to stop where you should, and even worse, you may make more mistakes.

Hold your pencil right

When you hold your pencil in the correct way, writing is much better. 39 That makes the handwriting not nice. Try to be relaxed and don't hold the pencil so hard. Let your writing appear nice and clean. If you do so, people will guess you are a student with a good habit.

Draw more pictures

40 You need to use the skills to control your pencil better while you are drawing pictures. Even though you have no chance to draw at school, you can practice by yourself at home.

Handwriting is very important. Imagine you are a world-famous movie star or a well-known sports player, what do you do when your fans run up to you? Give them your autographs, of course!

根据材料内容,从下面五个选项中选出能填入文中空缺处的最佳选项,使短文意思通顺、内容完整。

- A. Drawing can improve your handwriting.
 B. Some kids press down really hard when they write.
 C. If not, here are four steps that really work!
 D. Going slower makes the handwriting clear.
 E. Those lines on the paper can help you to write words in the right size.

A Different Winter Vacation

Recently, our country has suffered a lot from the COVID-19. We had to stay indoors without going out all day. Besides, we had to put off going back to school. We spent a different winter vacation.

During the winter vacation, I did a lot of different things. First, I studied online at home every day. I was very fond of the online lessons because they are very interesting. Second, I spent lots of time reading when I am free. Reading made me feel relaxed and I also learned a lot from books. Third, I started to learn how to cook. Though my first meal wasn't good at all, my parents enjoyed it. They said they felt proud of me. How happy I was!

During the different vacation, I've learned that whenever we face any difficulties, we should face them bravely. Though the virus is still spreading all over the world, I believe we can defeat it if we all stand together.
