## 第二部分 阅读理解（共计 50 分）

VI. 阅读理解（本题共 50 分，A、B、D 每小题 1 分，C、E、F 每小题 2 分）

(A)

阅读下面文字，为每个段落从A到F的选项中选出最适合的标题。（每题 1 分，共 5 分）

( ) 56. Our planet is in trouble! Almost every day we seem to hear of another problem

affecting (影响) the environment, such as acid rain, global warming, the damage of rainforests and other living places for the wild animals and so on.

( )57. George loves dogs very much. He regards dogs as his friends. Now he keeps two in his house. He is interested in all kinds of information and news about them.

( )58. Many of us don't pay much attention to the importance of eye care. It is said that if you take care of your body, then you can surely be healthy. That is why our eyes should be given a lot of care. Natural eye care should be put in a number one place.

( )59. Eating healthy foods will do good to your eyesight. Remember that vitamins A,C and E are good for eyes. Try to eat food groups that have these vitamins. And you should do eye exercises because exercise protects your eyesight, too. If a person exercises regularly (定期地) and eats the right kind of food, his eyes will stay in good condition for a long time.

( )60. What instruments do the pupils learn to play? Traditionally, school children learnt classical instruments, such as the piano or the violin. This is still true today. Younger children often learn the recorder (竖笛). As they get older, they start to play the violin or the piano. However, things are changing. More pupils than ever before — as many as 16% — are now learning the guitar. Some new British bands have made playing the guitar "cool" again. This, perhaps, is why more children are now learning the guitar.

- |   |                                 |
|---|---------------------------------|
| A. George's favourite sport                           | B. George's hobby               |

| E. Problems that our planet is facing                 |                                 |
| F. The changes of students' learning music in Britain |                                 |

(B)

Reading is a good hobby for all kinds of reasons. First, reading is fun. You can always keep yourself happy if you like reading. If you like reading, you will never feel bored or tired.

Next, you can read a book almost anywhere: in a car, on a plane, or even in the bathroom. All you need is a book!

Another good reason for reading is that it is useful. If you read as a hobby, you will get better and better at it. And you will read faster and find it easier to understand what you read. As your reading skills improve, you will probably find your schoolwork becomes much better.

Some people say that reading is out of date. This is not true. You can read on computers, and the better you read, the better your computer skills will be.

Good readers may become writers, too. They always have more things to write about. Reading is a wonderful hobby. Why not start reading right now?

Do you obey the rules in your school? How do you like your school rules? A lot of school rules are similar around the world, but some are different. Every school has their own rules.

There are some rules in Japanese schools. The students are not allowed to dye(染) their hair and should keep the hair Japanese black color. They are not allowed to wear earrings, either.

Almost all schools required students to wear uniforms in the past but now half of the school require uniforms. The students feel happy to wear all kinds of clothes. The students mustn't be late for school. If they are late, they can't get into the school gate because the school gate is closed. In Japan, students are not allowed to have part-time jobs because they may not concentrate on their study.

American schools have their own rules. For example, in Morton High School, students are not allowed to choose their own clothes. They must get to school and leave school on time. They must wear sports shoes in gym class. They should keep quiet in the school bus. In America, students can have part-time jobs in their free time.
