My name is Wang Wei. I am an eighth-year student in Guangming Middle School. My favorite sport is volleyball. I think playing volleyball can make me strong and healthy. I often play volleyball with my classmates after school. I'm on the school volleyball team. We have volleyball matches twice each term. Our team often wins in the matches because we all train hard.

Next Saturday, we are going to play against No.2 Middle School. I'm sure it will be a wonderful match. Please come and cheer for us.
