One possible version:

Dear Sally,

How's it going? I had a busy Sunday. In the morning, I did my homework at home, and it took me about two hours. After that, I cleaned my room. At noon, I made a large bowl of tomato noodles by myself because my parents weren't at home. In the afternoon, I visited my grandparents. I helped my grandma wash the clothes, then I fed the chickens with my grandfather. In the evening I watched TV with my grandparents. The night on the farm was beautiful, and the air was so clean!

I was busy and a little tired, but I was very happy! Please tell me about your weekend.

Yours,

Sandra
