I have four classes in the morning and two in the afternoon. I like English best, because I can speak English well. My last class finishes at 3:30. Then we can do some sports to have fun in the playground. Boys play soccer. Girls like to play tennis. I like tennis, but it's difficult for me. My P.E. teacher always helps me and I think he is nice.

This term, we have a big party to celebrate(庆祝) our school's birthday in October. From the twenty-eighth to thirtieth in November, we have a Sports Day. I play volleyball for my class. And in December, I buy a lot of books at the book sale and DIY my T-shirts on the art festival.
